m² 100
description The apartment is on the 5th floor, with view to the main road. three bedrooms are available, all fitted with a double bed, a desk with chairs and a big wardrobe. Common rooms include a medium sized kitchen, a large living room, a tiny washing-machine room, and two medium bathrooms, both with a shower. All rooms are very enlightened and fitted with window cases which reduce the main road noise and heat loss.
The apartment has an established **internet** connection which is shared between the occupants and an **isolated heating** system. Moreover, all possible furnishings for a cosy stay are included (i.e. pillows, sheets, dishes, forks ect).
